

WILSON IS CERTAIN
OF 387 VOTESHas Chance in Sev-
eral Close States.

TAFT ONLY HAS TWELVE

New Hampshire Finally Lands
in Democratic Column.

New York, Nov. 7.—Returns seem to assure Wilson and Marshall of 400 votes in the electoral college. Iowa and Kansas, which with Minnesota, South Dakota and Wyoming were in the doubtful column, seem almost sure to swell the Democratic total in the final alignment of states. Possibilities of a further gain remain for Wilson through the accession of Wyoming, where he led Taft by a small margin with one-third of the vote tabulated.

On the other hand late figures from South Dakota tend to assure the state to Roosevelt, the Progressive candidate leading by a fair margin and maintaining his lead fairly well on added returns.

New York, Nov. 7.—Only the uncertainty of a few close states, whose electoral vote in no way can affect the election of Wilson and Marshall; speculation over the popular vote of the three presidential candidates and the complexion of legislatures that will name United States senators held interest in the final returns of general election.

The total of the Republican electoral column apparently was fixed at the twelve votes of Idaho, Utah and Vermont, but the footing of the Wilson and Roosevelt columns flickered alternately as late returns from Iowa, Kansas, South Dakota and Wyoming gave indications of change.

On the basis of the latest returns, with the vote of Iowa, Kansas, South Dakota and Wyoming placed in the "doubtful" column, President Elect Wilson had 387 certain votes in the electoral college; Colonel Roosevelt eighty-nine and President Taft twelve. The doubtful states, except South Dakota, gave more or less certain indications of landing in the list of Wilson electoral votes, while South Dakota's returns showed a general trend toward a Roosevelt plurality.

A byphase of the general election that became known was the success of woman's suffrage in four of the five states where constitutional amendments were submitted to the people. The victory of the women was complete in Kansas and Arizona and possibly Michigan; late returns from Oregon indicated it had succeeded there also, while from Wisconsin came returns showing the decisive defeat of the equal suffrage proposal.

Estimates of Popular Vote.

Estimates of the popular vote polled by Governor Wilson ranged through many millions. It was found impossible to compute, with any accuracy, the popular vote of any of the presidential candidates and it will be a number of days until the counting of the three corners contest in the different states is concluded and accurate tabulation of the popular vote made possible.

Assertions were made from several quarters where an effort had been made to gather preliminary popular vote figures that Governor Wilson had not secured a majority of the votes cast throughout the country.

There were many surprises. New Hampshire, first credited to Taft, went into the Wilson column with a majority of about 1,500 for the Democratic candidate. Returns from Idaho, which came in scattering form favored Wilson so strongly as to create the belief that it would give him its electoral vote; but late returns indicated the third state to go certainly for President Taft.

The Roosevelt forces, watching the returns hourly as they came from Illinois, suffered a scare as the down state Democratic districts reduced Roosevelt's plurality from Cook county until it dropped to disappear. A complete report from Cook county again swelled the Roosevelt majority in the state and seemingly made certain the control of Illinois' twenty-nine votes by the Progressive candidate.

Kansas, which had been conceded to Roosevelt by all interests on the preliminary returns, gradually slipped back until it had become a question whether Wilson or Roosevelt would control its ten votes.

Governor Wilson had the better of the situation in Iowa, where the counting still was in progress, with but a narrow margin between the candidates.

Wilson Carries Rhode Island.

Providence, R. I., Nov. 7.—Wilson carried Rhode Island by an approximate plurality of 4,000. Governor Potter (Rep.) was re-elected by about 1,000.

MARION E. HAY.

Washington State Beaten.

WASHINGTON FOR COLONEL

Plurality Estimated at 23,000—Gov-
ernor Hay Defeated.

Seattle, Nov. 7.—Roosevelt's plurality over Wilson in Washington is estimated at 23,000. Ernest Lister, Democratic candidate for governor, was elected by a plurality estimated at 8,000 over Governor Marion E. Hay, Republican.

J. A. Falsoner and J. W. Bryan, Progressives, are probably elected congressmen at large over the Republican candidates by 5,000.

The legislature is Republican.

COLONEL PROMISES
TO MAKE STATEMENTRoosevelt Apparently Undis-
mayed by His Defeat.

Oyster Bay, N. Y., Nov. 7.—Colonel Roosevelt surveyed the field of battle and gathered as much of the story of defeat as he could piece together. His lieutenants in each state wired to him their reports, in many cases incomplete, and Colonel Roosevelt was still in doubt as to just what the Progressive party had been able to accomplish in its first campaign.

There was nothing of the aspect of a beaten general and no hint of defeat in his manner. He smiled as he easily and told stories as gayly as before and apparently was enjoying life thoroughly. Colonel Roosevelt said he wants to tell his supporters everywhere what he thinks of the outcome and the outlook. The only reason that he did not do so was that he had not the facts at hand.

"I want to find out just where we stand first," he explained. "The returns are far from complete. When I have all the facts I shall make a statement."

SOUTH DAKOTA PROGRESSIVE

Incomplete Returns Show Roosevelt
Carries State.

Sioux Falls, S. D., Nov. 7.—With returns in from approximately half the counties in the state indications are that Roosevelt carried South Dakota by a majority estimated at 5,000 votes. Partial and complete returns from twenty-eight out of sixty-one counties of the state give Roosevelt 24,908 and Wilson 21,267. It is estimated that the Progressive candidate will receive about 60,000 votes and the Democratic 55,000.

The results for the gubernatorial race probably will not be known for several days and may take an official count to determine who will succeed the present incumbent, Robert S. Vesely. Partial returns from twenty-eight counties give Johnson, Republican, 33,742.

The election of Thomas Sterling to succeed United States Senator Robert J. Gamble is indicated by scattering returns on legislative candidates, showing that the Republicans may control the state senate and house.

WILSON LEADS IN CINCINNATI

Incomplete Returns Indicate He Car-
ried Taft's Home Town.

Cincinnati, Nov. 7.—Further returns serve only to increase Governor Wilson's lead in Ohio and to insure a more complete Democratic victory in the state. Returns from 436 of the 522 precincts in Hamilton county, the city of Cincinnati, heretofore thought to be carried by Taft, give Wilson 35,823 to Taft's 35,592.

Indiana's Verdict Sweeping.

Indianapolis, Nov. 7.—Returns from 1,976 of the 3,172 precincts in Indiana for president give Wilson 189,011, Taft 19,331, Roosevelt 109,085. This gives Wilson a plurality of 79,926 over Roosevelt in what is practically two-thirds of the state.

DEMOCRATS MAY
CAPTURE SENATEOnly Need to Gain Six Repub-
lican Seats.

SOME STATES VERY CLOSE

Returns Assure Joseph G. Can-
non's Defeat in House.

Washington, Nov. 7.—There remains only a slight uncertainty that the Democratic party would control the United States senate. If the Democrats had carried West Virginia their control apparently would have been assured. But late returns indicated that that state probably would have a Republican majority of twenty votes or more in the legislature.

Democratic control of the senate depends upon later returns from several states where the results still were in doubt. Definite returns were lacking from Oregon, Wyoming, Tennessee, New Hampshire, Illinois and South Dakota. Late figures from Nevada indicate that Pittman, Democrat, is leading and probably is elected.

Of the nineteen seats held by Republicans which were at stake in Tuesday's election it became necessary for the Democrats to elect six to procure a majority in the senate, providing they were able at the same time to retain possession of their own. Returns gave them the following Republican strongholds:

Two in Colorado, where John F. Shafroth, Democrat, for the full term, and C. S. Thomas, Democrat, for the short term, will be selected by a Democratic legislature.

One in Montana, where Republicans and Progressives conceded the election of T. J. Walsh, Democrat.

Stubbs Beaten in Kansas.

One in Kansas, where W. R. Stubbs, Republican, conceded the election of his opponent, William H. Thompson, Democrat.

One in Delaware, a Democratic legislature assuring the return of a Democrat to succeed Richardson, Republican, retired.

One in New Jersey, where William Hughes, Democrat, will succeed Briggs, Republican.

Iowa, which was considered doubtful, elected a Republican legislature, which probably will select W. S. Kenyon, Republican.

The personnel of the new senate will show many of the veterans, with a large infusion of new blood. Among those who failed for renomination and whose names will not appear on the senate rolls is Shelby M. Cullom of Illinois, whose congressional career goes back to the time of Abraham Lincoln. Included in this list are also Senators Curtis of Kansas, Bourne of Oregon and Gamble of South Dakota.

Senators Bailey of Texas, Crane of Massachusetts, Guggenheim of Colorado, Richardson of Delaware, Burnham of New Hampshire and Wetmore of Rhode Island retire voluntarily.

Senator Dixon of Montana, who has given his time to Colonel Roosevelt, was defeated.

Later returns did not diminish the heavy Democratic majority in the house of representatives, but they did play seelyaw with Uncle Joe Cannon and finally left him defeated by a majority of 600.

IOWA IS STILL FOR WILSON

Seventy-three of Ninety-nine Counties
Give Him 13,000 Plurality.

Des Moines, Nov. 7.—With almost complete returns from seventy-three of ninety-nine counties in the state Wilson continued to maintain his earlier lead over Roosevelt, with the majority for the counties indicated of more than 13,000.

For fifty-three of the counties the vote was complete and in the remainder so nearly complete that the count included twenty precincts, estimated as follows: Taft, 82,271; Wilson, 128,617; Roosevelt, 115,139.

A remarkable result of the election in the state, from the viewpoint of political leaders, was the apparent victory of E. G. Dunn, Democratic candidate for governor, over his Republican opponent, George W. Clarke.

CALIFORNIA DOUBTFUL AGAIN

Wilson Lead Dwindles to 5,392 With
800 Precincts Missing.

San Francisco, Nov. 7.—Woodrow Wilson's apparent plurality of 12,000 in California dwindled rapidly as late returns came in from the Progressive strongholds of the southern part of the state. With about 800 precincts yet to hear from Wilson's plurality over Roosevelt is 5,392.

This margin, however, accounts for all except five precincts of Los Angeles county, the great Roosevelt stronghold.

WILSON FIRST; TAFT SECOND

Result in Massachusetts Victory for
Democrats.

Boston, Nov. 7.—The total vote of Massachusetts in the national election was as follows:

For president: Wilson, 170,996; Taft, 152,255; Roosevelt, 140,152.

For governor: Foss, Democrat, 192,178; Walker, Republican, 143,528; Bird, Progressive, 124,258.

OREGON DEMOCRATIC BY 5,000

Lane Leads Republican and Independ-
ent in Senatorial Race.

Portland, Ore., Nov. 7.—With only one-fifth of the ballots counted outside of Multnomah county (Portland) and less than forty precincts complete in Oregon, Governor Wilson's success in Oregon is assured by a probable plurality of 5,000.

The senatorial contest between Sell, Republican; Lane, Democrat, and Bourne, Independent, has developed into a race between the former two. Lane has a lead of less than 500 votes.

Indications are that the woman suffrage amendment has carried. An amendment to abolish hanging in this state seemingly has been defeated. Single tax was defeated.

PLANS TO BUILD UP
REPUBLICAN PARTYPresident Taft Hopes to See
Organization of Club.

Columbus, O., Nov. 7.—Defeated, but far from discouraged, President Taft already is considering plans for holding together and strengthening the Republican party. He said to friends who accompanied him north from Cincinnati that the party will continue to exist; that it will be as active as heretofore and that there is no reason why it should not be successful.

So far as the president's plan is concerned he hopes to see organized a national Republican club entirely apart from the Republican national committee which shall cherish the principles of the party and be a source of political activity not only during election years but at all times. The president spoke of the Republican club of New York, the Hamilton club of Chicago and other similar organizations and expressed the belief that through these clubs interest and loyalty could be kept alive.

To a suggestion that he might be the Republican party's nominee in 1916 the president replied with a smile but made no comment. He repeated his intention of returning to Cincinnati and the practice of law.

The president is convinced that the task of President Elect Wilson will not be easy. He said that he earnestly hoped Mr. Wilson would not call an extra session of congress to revise the tariff. He wished, he said, to see the present prosperity continue as long as possible.

COLONEL CARRIES ILLINOIS

State in Progressive Column by About
10,000.

Chicago, Nov. 7.—Estimates based on election returns are that Colonel Roosevelt probably has carried Illinois by about 10,000 votes over Governor Wilson. Wilson gradually gained strength in the down state reports, but the Colonel's lead of 38,400 in Cook county is expected to be large enough to carry him through.

Dunne's plurality in the gubernatorial race probably will exceed 100,000. Funk, the Progressive nominee, continued to run second and it seemed probable that Deenen, Republican, would finish third.

ALL NEW YORK DEMOCRATIC

Also Control Legislature and Con-
gressional Delegation.

New York, Nov. 7.—A Wilson plurality of practically an even 200,000 votes, a Taft lead of 60,000 over Roosevelt and a similar alignment of parties in the gubernatorial vote is the result of the election in New York state, so far as confirmed by nearly complete returns.

The Democratic presidential plurality is the largest New York state has ever given that party and it is the first time the voters outside of the metropolitan district have given a Democratic presidential candidate a plurality.

New York city's Wilson plurality over Roosevelt, who was second in the city, was 124,688.

On the general wave of Democratic success the party appears to have won the most substantial control it ever had in the state legislature and the state delegation in the national house of representatives.

MONEY TO RUN
THE CAMPAIGNSDoubtful if There Ever Will Be
Enough Small Subscriptions.

INFLUENCE OF CONTRIBUTIONS

It is idle to think that a candidate does not feel under some obligation for the money given—Clapp Investigation Was No Gain to Any Political Party.

By ARTHUR W. DUNN.

Washington, Nov. 7.—[Special.]—So many reforms are started on account of great public clamor and die out after desultory discussion in congress that I am doubtful about the enactment of legislation which will materially reform the contributions and expenditures of political campaigns.

What seems to shock the people more than anything else is the large sums which a few men give in order to have their friends win. There is talk about limiting the amount which any one person may contribute in order to prevent any one man from claiming a purchase right on the successful candidate. There is also talk about a closer method of accounting, in which the expenditure of every dollar will be open to public inspection.

There is a widespread belief that appeals to the people for small subscriptions will bring in enough money to run a campaign. That may be very much doubted. Most people who have nothing to gain by the election of a man they support think they are doing enough if they go to the polls, register and vote for the candidate.

Candidates Not Influenced.

Everywhere we see it asserted that candidates for office are not influenced by the contributions of large size by friends and relatives. I do not see how they can help being influenced, and when we observe how many rich men who have been liberal campaign contributors are sent abroad as ambassadors and ministers we have to acknowledge that money does influence.

"Next to my brother Charlie, I owe more to you than any one man for my election," Mr. Taft is said to have written to Mr. Roosevelt after the election in 1908. In the senate investigation it has been brought out that Brother Charlie was one of the most liberal campaign spenders the country has known. Mr. Taft evidently felt under some obligation for the money put up by his relatives and friends.

No Partisan Advantage.

Beyond question it was believed that party advantage would be gained by the investigation, but such has not been the result. When it was begun there was an evident determination to "get Roosevelt." But it turned out that August Belmont and Thomas F. Ryan matched any plutocrat on the Republican side in the way of making campaign contributions, while Charles P. Taft set a pace in the money given to the Taft campaign.

If any one came out better than another it was W. J. Bryan, and he seems to have been a sort of stepchild when campaign money was going around.

By Unanimous Consent.

All during the illness of Vice President Sherman the senate had a presiding officer by unanimous consent. The senate is deadlocked on the election of a president pro tem, so when Sherman went away the senators bridged over the difficulty by having first one and then another man selected for a short space of time. When the session adjourned last summer provision was made that Senator Bacon of Georgia should preside a portion of the time and Senator Gallinger of New Hampshire for another period. This will carry the senate a few weeks into the coming short session.

If any one man chose he could deadlock the senate when the present truce expires by objecting to unanimous consent and forcing an election. It would probably result in the withdrawal of Senator Gallinger as the Republican caucus nominee and the selection of some man on whom all could agree.

One of Reed's Young Men.

Jim Sherman attracted the attention of Tom Reed soon after he entered congress and was known in the days when the big Maine man was running things as "one of Tom Reed's young men." Like a great many others who won their first congressional spurs during the exciting period of house parliamentary reform, Sherman was a great admirer of the brilliant and versatile Reed.

Greater First Lady.

Mrs. Cleveland, who is soon to surrender that name, was one of the most popular women the White House has known. She was a mere girl when she first went there to marry Mr. Cleveland. When she returned in the second term she had become a woman of world affairs and gave the White House a tone which made her famous. While the Cleveland's were domestic and very much interested in their children, yet the social side was never forgotten and Mrs. Cleveland's career as first lady of the land was a decided success.

The management of the social side of the White House so as to please most people and offend the least possible number is an art; or, perhaps, it is simply a characteristic of a sensible and considerate woman.

MINNESOTA SAFE
FOR ROOSEVELTWill Have Plurality of From
15,000 to 20,000.

STATE TICKET REPUBLICAN

Governor Eberhart Increases
His Lead Over Ringdal.

St. Paul, Nov. 7.—Colonel Roosevelt, in all probability, has carried Minnesota by a plurality of from 15,000 to 20,000. Returns from two-thirds of the precincts of the state give him a comfortable lead of nearly 8,000 over Wilson and country precincts are increasing his plurality. The indications are that Taft's vote, in spite of many claims of big gains for him, will not greatly exceed the mark of 75,000 set for him by politicians before the election.

The country voters in Minnesota stood by Roosevelt solidly. Wilson, emerging from St. Paul and Minneapolis with a plurality of 5,000, met Roosevelt's pluralities in nearly every farm county of the state and his lead was cut down steadily in the tabulating. Duluth and St. Louis county alone gave Roosevelt a plurality of more than 3,000 over Wilson and the northern tier of counties added more Roosevelt votes.

Colonel Gains on Wilson.

One thousand, eight hundred and eighty of the 2,900 precincts in the state, including those in Hennepin and Ramsey counties, gave Roosevelt 91,985, Wilson 84,117, Taft 50,799. Roosevelt is gaining an average of seven and one-half votes to the precinct over Wilson in the country and should he continue these gains his plurality will be about 15,000.

The big Roosevelt vote in St. Paul and the correspondingly low Taft vote was one of the surprises of the election. Chicago and Washington counties gave handsome Roosevelt pluralities that swung the Fourth congressional district for Roosevelt. Complete returns may show that the Progressive nominee has carried every congressional district in the state save the Fifth, which includes the city of Minneapolis. He has carried at least fifty-four of the eighty-six counties of the state; Wilson apparently has carried about twenty-two, Taft three and the rest are in doubt.

Collins Is Far Behind.

The entire Republican state ticket is safe. Governor Eberhart's indicated plurality is between 30,000 and 40,000. Returns from 1,826 of the 2,900 precincts in the state gave Eberhart 92,000, Ringdal 77,003 and Collins 21,066, with Eberhart making slight gains in reports from additional country precincts.

Governor Eberhart has carried approximately seventy of the eighty-six counties of the state and is gradually increasing his plurality over P. M. Ringdal. A real feature of the state election was the apparent strength of E. E. Lobeck, Prohibition candidate for governor. Lobeck carried Douglas county over Eberhart and all the other candidates, complete returns giving Lobeck 1,105, Eberhart 906, Ringdal 476 and Collins 371.

United States Senator Knute Nelson led the entire state ticket, according to returns tabulated from all parts of Minnesota. The sage of Alexandria, from 1,495 scattered precincts throughout the state received 102,165 votes, distancing Governor Eberhart by about 3,000 and Theodore Roosevelt by more than 10,000. Ira B. Mills led the ticket for state officers except for that of governor with 87,874 votes from 1,255 precincts.

PLURALITY IS CUT DOWN

Wilson Carries North Dakota by About
5,000.

Grand Forks, N. D., Nov. 7.—Wilson's plurality has been considerably reduced by returns from the Missouri slope counties and his total lead in the state will be about 5,000, while Roosevelt will be second, with about 2,500 more votes than Taft.

From 1,906 precincts the vote on president follows: Taft, 143,811; Wilson, 19,173; Roosevelt, 16,098.

Returns from 1,118 precincts out of 1,752 reported the vote on governor as follows: Hanna, 24,539; Hellstrom, 21,998; Sweet, 5,896.

The entire Republican state ticket was elected. The only office over which there was any doubt on the face of early returns was that of congressman from the Third district, but practically complete returns from there indicate the success of P. D. Norton, the Republican candidate, by a majority over Halvor Halverson, Democrat, of about 1,000. The Socialist candidate for congress will run close to Halverson.

The election of L. Hanna as governor over F. O. Hellstrom was contested by the Democrats.

Finance.

Many words of most august sound prove to be of quite commonplace ancestry when traced to their origins. "Finance" is really only "settling up." Literally, it is just "ending" and was formerly used in that very simple sense in the English language. Then it came to signify settling up with a creditor and acquired the special sense of running.

STUBBS LOSES SENATE RACE

Kansas Democrats Go for Wilson and
May Elect Governor.

Topeka, Kan., Nov. 7.—Practically complete returns from sixty-three of the 105 counties in Kansas gave the Democratic national ticket a plurality of 10,000. The state Democratic ticket also made big gains in the returns received and George H. Hodges, Democratic candidate for governor, had a lead of 2,500 over Arthur Capper, Republican.

Governor W. R. Stubbs admitted that he had been defeated by William H. Thompson, Democrat, for the United States senate.

CLAIM MONTANA BY 10,000

Democrats Elect Senator, Governor
and Congressman at Large.

Helena, Mont., Nov. 7.—Republicans and Progressives conceded that Wilson carried Montana by a big margin, that T. J. Walsh, Democrat, was the voters' choice for United States senator and that Thomas Stout, Democrat, was elected congressman at large and S. V. Stewart, Democrat, governor.

Democrats claim Wilson's plurality

will exceed 10,000.

Republicans refused to concede the election of John M. Evans, Democrat, to congress.

NEBRASKA IS FOR WILSON

Given Plurality of 35,000 in Bryan's
State.

Lincoln, Neb., Nov. 7.—Wilson's plurality in Nebraska will reach 35,000. Morehead (Dem.) has been elected governor by 10,000 and Norris (Rep. Prog.) probably has a small margin over A. C. Schallenberger (Dem.) for United States senator.

The First, Second, Third and Fifth congressional districts have elected Democratic congressmen. In the Fourth and Sixth districts the result is in doubt.

The legislature is in doubt.

COLORADO GOES FOR WILSON

Democratic Plurality Estimated at
140,000.

Denver, Nov. 7.—Scattered returns did not change materially the lead of the national Democratic ticket, which, it is estimated, will receive a plurality of 140,000. Two Democratic senators and four congressmen also appear to have been elected. Prohibitionists concede the defeat of statewide prohibition. Taft ran behind Debs in several towns.

MAJORITY FOR TAFT IN UTAH

Republicans Make Nearly a Clean
Sweep There.

Salt Lake City, Nov. 7.—With the possible exception of Jacob Johnson, candidate for congress, the Republicans made a clean sweep of Utah in the election and carried the state by several thousand. President Taft was given a majority of 3,000. Governor William Spry and Congressman Joseph Howell were re-elected.

M'GOVERN TAKES THE LEAD

Apparently Is Re-Elected Governor of
Wisconsin.

Milwaukee, Nov. 7.—That Governor Woodrow Wilson carried Wisconsin is generally accepted beyond the shadow of a doubt, but Governor Francis E. McGovern, according to late figures, will remain as chief executive for a second term. An official count may be necessary to decide the contest.

A conservative estimate places the total vote cast in Wisconsin at 480,000, divided as follows: Wilson, 200,000; Taft, 150,000; Roosevelt, 85,000; Debs, 40,000 and Chafin, 5,000.

Returns favored McGovern in almost every instance and enough additional results have been wired in to turn the tide in McGovern's favor.

Dr. J. A. Thabes leaves today for
New York city where he will attend
the clinical congress of North Amer-
ican surgeons. The congress will
be in session two weeks.
"Pequot went for Taft," said Judge
A. R. Holman as he and Mrs. Holman
visited Brainerd yesterday. "But
the lead Wilson had was too big for
even Pequot to overcome."
The assembly dance will be held
every Friday night, rain or shine, at
Auditorium hall. Do not believe any-
one if they say they are not. Prof.
Colvin.—Adv.
B. S. Mallory has returned from
Chicago where he was called on ac-
count of the sickness of his son, Earl
Mallory, who for eight days battled
with a siege of pneumonia. He is
now on the way to recovery.
The women's missionary society of
the Presbyterian church will meet
with Mrs. Archie Purdy, 703 Oak
street, on Friday afternoon at three
o'clock. This is the annual praise
service held and a large attendance
is desired.
The Bachelor Maids will give a
Halloween dancing party at the
Citizens State bank hall this even-
ing. The decorations will be in
keeping with the event and are prom-
ised to be something out of the ordi-
nary. Dancing commences at 8:30.
Prof. Colvin will give double tick-
ets on \$20 in gold to be given away
at the dance Thanksgiving day.
These tickets will be given every Fri-
day night. Those using the check
room get an extra ticket. The Blue
Pebble orchestra will play every Fri-
day also Thursday the 28th.—Adv.
Three drunks appeared in municipal
court this morning. One was
fined \$15 and paid like a little man.
Another drew a \$5 fine and paid.
A third had spent all his money fol-
lowing the parched day on election
and soused himself so that \$5 or
5 days, the sentence meted out by
Judge Warner, had to be taken out on
the day system and he is now in the
city lockup counting the lonely hours
M. R. Shelton, general secretary of
the Y. M. C. A. at Proctor, arrived in
the city today and is visiting the
local institution. At Proctor there
is an association which is the pride
of northern Minnesota. Situated on
the Duluth, Missabe & Northern
railway, that line takes particular
interest in the Y. M. C. A. associa-
tion. This year they paid the whole
coal bill, they improved the building
and did other things to help the in-
stitution. Once a month a special
car is sent over the line distributing
magazines and other reading matter
among the employees and serving
lunch to visiting railway men and
others.

W. B. Jones, county commissioner
of Cass county and prospective coun-

Cashier Ellingson of that town, as
he came to Brainerd yesterday. "We

to overflowing to witness the Kelly
Stock Co's, production of that well
known comedy drama "The Chorus
Lady." Those who were fortunate
enough to secure seats were amply
repaid by the excellent performance
of "The Chorus Lady" as presented
by the Kelly Stock Co.
The story of the "Chorus Lady"
teaches a beautiful moral lesson and
is an exact exemplification of the
many temptations that are offered a
chorus girl.
Miss Gale scored heavily in the
title role and the vast audience voted
the chorus lady the best thing Miss
Gale has done yet. Mr. Kelly gave
an excellent performance of the part
of the race-horse man being espe-
cially effective in the climax.
The vaudeville specialties were
again changed and gave general sat-
isfaction. Nat Goodwin's favorite
play "In Missouri" will be the com-
pany's offering tonight with Mr.
Kelly in the role created by Nat C.
Goodwin.
The part is something different
than anything Kelly has before at-
tempted but he will surprise even his
staunchest admirer.
A special bargain matinee will be
given Saturday at 2:30 P. M., at
which time 10 cents will be the ad-
mission to any seat in the theatre.

SOME ELECTION FIGURES IN COUNTY

What 39 Precincts in the County Reveal—Bouck Leading as Representative

THE COUNTY OFFICERS ELECTED

Socialist Nelson But Two Votes Behind County Commissioner John A. Erickson

Incomplete returns from 39 precincts of Crow Wing county give Taft 585, Wilson 644, Roosevelt 967 and Debs 664. The socialists ran second in the county.

Senator Nelson received 1495 votes Lawler, democrat, 739.

For congressman-at-large Manahan, republican, polled 1179 and Buell, democrat, 739.

For governor Eberhart, republican, polled 1088; Ringdahl, democrat, 602 and Collins, progressive, 255.

For congressman Lindbergh, republican, polled 1618; Gilkinson, democrat, 567; Uhl, socialist, 673.

For representative Bouck, republican, polled 1265; Brown, republican, 981; Vasily, democrat, 592; Gravel, democrat, 452; Henning, socialist, 949; Crossfield, socialist 683.

For lieutenant-governor Burnquist, republican, polled 1189; Powers, democrat, 560.

For secretary of state, Schmahl, republican, polled 1168; Grimmer, democrat, 477; Norelius, progressive, 203.

For state railroad and warehouse commissioner Mills, republican, polled 1548; Reiter, democrat, 747; Elmquist, republican, 1252; Gayner, democrat, 663; Sharkey, progressive, 409.

Judge McClenahan has a large lead over his competitor.

Justice supreme court, Brown, 416; Stanton 1555; Stewart 305.

Justice of the supreme court, Holt 1027; Bunn 907; Hallam 1082.

In county offices, the present incumbents, have for the most part been re-elected, with the exception of some of the county commissioners.

The successful ones are Judge of Probate, J. T. Sanborn. Superintendent of Schools, Mrs. Irma Camp Hartley. J. F. Smart county auditor, has a big lead over Seales, socialist. S. R. Adair is again county treasurer. Register of Deeds, A. G. Trommald. Sheriff, F. J. Ried. County Attorney, G. S. Swanson, republican, who has outdistanced by several hundred votes his socialist and independent competitors. F. A. Glass had no opposition as county surveyor. For coroner Dr. C. A.

Nelson landed with flying colors, defeating socialist and democratic competitors.

The county commissioner board will see two new faces this year, that of J. J. Tucker, of Ft. Ripley, who won handily as an independent in the first district and John A. Oberg, of Deerwood, who corraled about all the votes in his district. The fight between the President of the County Board J. A. Erickson of Brainerd and his socialist competitor, Joseph Nelson, was so close that only two votes separate the winner Erickson from the loser Nelson.

The campaign in the county was conducted generally in a clean, business like way by all the candidates. More than ever before, candidates are beginning to realize the value of printer's ink, judiciously used. Vasily, of Little Falls, the democrat who looks like a winner in the race for representative, made little of a personal campaign in Crow Wing county, but advertised liberally.

The law keeping the polls open until nine o'clock is certainly a proper provision. It has made possible a large vote and especially in the mining districts, enabled many to vote who formerly cast no vote when the polls closed at six sharp. Not a single case of violence or disorder was reported from any precinct in Crow Wing county.

The totals on the vote for county attorney, at 3:30 P. M., with only Little Pine precinct lacking, give Swanson 1503; Long 994; Barron 696.

It is conceded that I have been elected to represent the 48th legislative district (Morrison and Crow Wing counties). I wish to sincerely thank you all for the honor. I realize that it was by the support of members of all parties that I received such splendid support and will be pleased as your representative to exemplify the motto, "Let the People Rule."

Very Sincerely,
LOUIS W. VASALY

"Skovgaard"

Alex Skovgaard, who plays at the opera house next Wednesday night upon his matchless Stradivarius, is accompanied on his present tour by Miss Alice McClung, pianist, and Mme. Mary Elliott-Hennessy, soprano. Both these artists are said to be musicians of more than ordinary merit, and entirely capable of sustaining the excellent standard of a Skovgaard entertainment.

DULUTH WILL VISIT BARROWS

Iron Range Townsite Co. Plans on Big Excursion for Sunday, November 17th.

WILL ALSO VISIT AT LENOX

Brainerd Should do Something to Entertain Visitors When Passing Through City

The Iron Range Townsite company, owner of the townsite of Barrows, is planning on a big excursion Sunday, November 17th from Duluth to Barrows. The special train on the Northern Pacific railway will be run for the purpose of showing friends of the company and their families, purchasers of lots and others, what has been done in Barrows and at the Barrows mine during the last seven months.

The Barrows mine is now hoisting ore, a good many buildings have been built in the town and a number more are under construction. Besides visiting Barrows, if proper arrangements can be made, the excursion party will also visit Lenox and other iron properties near by and the excursion will give everyone a chance to see what is going on at this great iron range.

It requires 100 people to get the train and the fare together with lunch will cost Duluth people \$5.50 for the round trip. The special will leave Duluth at 7:45 A. M., returning the same evening.

It is up to Brainerd to do something for the Barrows special train visitors when they pass through the city. Some entertainment should be provided for them and they should be given an opportunity to see the city. This is good business policy. When the Cuyuna-Mille Lacs special on the Northern Pacific visited the mine of that company, Crosby, Cuyuna and others raised the extra money for a special train on the Soo line and gave the visitors the added pleasure of a trip to Crosby and Cuyuna and the mines near by. In the same way Brainerd should do something to interest the visitors in Brainerd and the mining country tributary.

Courtesies shown in this manner will be appreciated by the prime movers in the excursion and by the Duluth and northern Minnesota people traveling on the special. Let's get busy now.

STRAW VOTE VINDICATED

When Honestly Taken Means Something—National Straw Vote Gave it to Wilson

The straw vote has been vindicated. The one taken in Brainerd a month ago and which formed an integral unit of the national straw vote taken by the Chicago Record Herald and a half dozen other widely known newspapers gave Wilson a landslide and only conceded three states to Taft.

As the Superior Telegram says: "The big journalistic straw vote which indicated the election of Wilson was correct. A straw vote fairly conducted may be a good pointer to show which way the wind blows."

CUYUNA NORTHERN RY. EXTENSION

Rumored Line Will Run From Present Terminus to Junction with the Northern Pacific

BETWEEN AITKIN & CEDAR LAKE

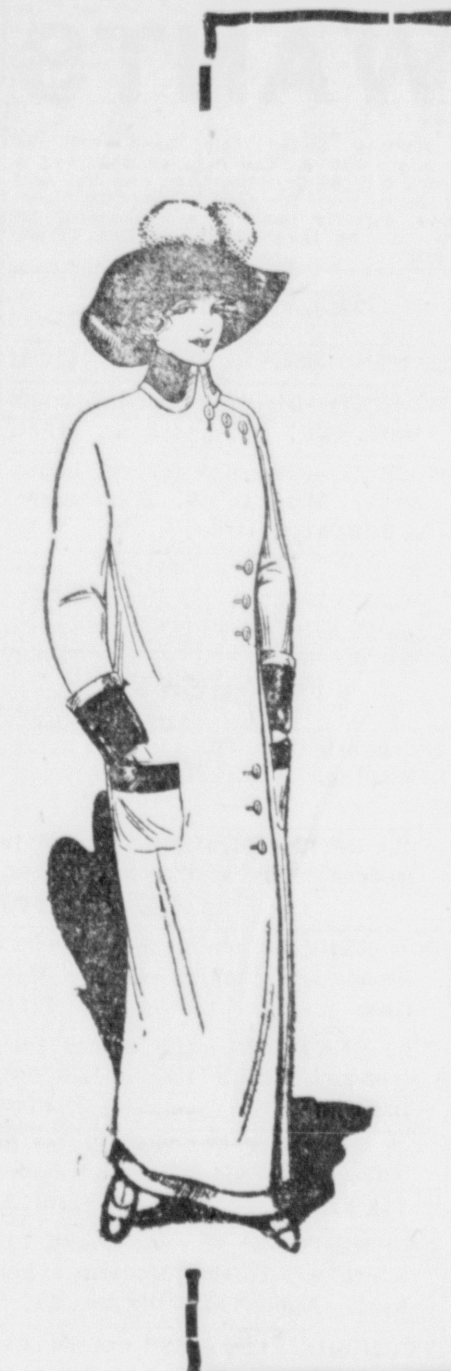

This will Make the Cuyuna Northern Practically a Belt Line of the Range

It is reported that the Cuyuna Northern railway proposes to put in an extension from its present terminus at the Cuyuna-Mille Lacs Co. mine and run to a point between Cedar Lake and Aitkin, connecting there with the Northern Pacific. This will make the Cuyuna Northern practically a belt line of this section of the iron range.

The extension as reported will be about eight miles in length and as soon as surveys are completed the work of construction will be pushed. The route has not been definitely determined, but the road will angle around to touch as many properties as possible and secure the tonnage.

"The Havoc"

The engagement of Paul Gilmore and associate players at the Brainerd opera house for Friday evening, November 15 will present the actor manager in a big dominant role of the type which playgoers have learn-

ed to associate with his name. "The Havoc" is a tense, gripping drama, built upon the story of a duel of wits between an injured husband and a treacherous guest in his home. The big role of the play, the husband, offers one of the most convincing characters seen on the stage in recent years and is played by Mr. Gilmore with quiet power and tense nervous force. By the sheer power of his acting he dominates the powerful dramatic situations of "The Havoc" with perfect ease, and during the scenes that are softened by brilliant ironic comedy he makes the author's satiric lines snap and sparkle and burn by his quick, nervous, crisp, decisive tones.

BEST FOR DANDRUFF, FALLING HAIR OR AN ITCHING SCALP---25 CENT "DANDERINE"

Save Your Hair! Danderine Destroys Dandruff and Stops Falling Hair at Once—Grows Hair, We Prove it

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous you must use Danderine, because nothing else accomplishes so much for the hair.

Just one application of Knowlton's Danderine will double the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, don't hesitate, but get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must see Knowlton's Danderine. If eventually—why not now? A 25 cent bottle will truly amaze you.

Write Ideas for Moving Picture Plays!

YOU Can Write Photo Plays and Earn \$25 or More Weekly

We will Show You How

If you have ideas—if you can THINK—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100 and more for single scenarios, or written ideas.

Nearly all the big film companies, the buyers of photoplays, are located in or near NEW YORK CITY. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers, our SALES DEPARTMENT has a tremendous advantage over agencies situated in distant cities.

We have received many letters from the big film manufacturers, such as VITAGRAPH, EDISON, ESSANAY, LUBIN, IMP, SOLAX, REX, RELIANCE, CHAMPION, COMET, MELIES, ETC., urging us to send photoplays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication."

Perhaps we can do the same for you. If you think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25, a low figure,

You will earn \$100 Monthly for spare time work

FREE Send your name and address at once for free copy of our illustrated book, "Moving Picture Playwriting"

Don't hesitate. Don't argue. Write NOW and learn just what this new profession may mean to you and your future.
